Dear Parents, Carers, Students and Staff,

Welcome to William & Deacon and their families, both boys have joined Julie, Chantelle and the crew in B1. It is certainly a very busy room.

Best wishes to Zoe we hope to see her back soon following her stay in hospital.

Many thanks to Casey Moon, Kim Curtis, Jane Nash, Tonia (Di Corleto) and Pat Ferguson for their time and effort before, during and at the working bee. Many weeds have been removed but there are plenty left, if you have a spare 20 minutes we would love your help in getting rid of them.

Welcome to Denise Brickle who has joined our school team as a fulltime ES staff member. Denise is working three days a week in Angie’s room and the other two days across the school.

Julie is taking leave from Friday 11th May and will return Monday 18th June. Sue Clifford will be replacing Julie in her absence. I will also be absent for the same period and Tonia will be Acting Principal in my absence. Sarah Harris will be teaching fulltime in B6 during that time.

All programs are in full swing with students learning lots of new skills. The younger primary students are enjoying kinder gym and the older primary students basketball. VCAL students are participating in the Teenagers in Emergencies program working with the CFA and SES, while other secondary students are enjoying indoor hockey. Thanks to all of the community members who are supporting those programs.

Regards Shelagh

- 12th May - Gus
- 19th May - Tayla
- 18th May - Troy
Great Work

Thanks to all of the emergency services who came along to observe our first Emergency Evacuation Drill at the new school on Wednesday. They were very impressed with the way staff and students calmly and quietly evacuated the buildings in just four minutes, a great job. Thank you to the Sale CFA members, Sale Ambulance Crews, Emergency management planning staff from Sale Police, Wellington Shire and DET for their support and helpful ideas on how we can improve our plan.

Emergency Service Personnel briefing and site orientation.

Evacuation roll call.
Primary

B1 and B2 are very excited to have weekly sessions at Maffra Gym.
We explore jumping, climbing, balancing, rolling, coordination and Dancing.
Gym is amazing!

Primary

B3 Science

In B3 we have begun our Science lessons. We are all being Magical Scientists.
We have made magic milk and also made rainbows using skittles.
We are having so much fun!!!
Junior Secondary

Scouts

At Scouts we start with Parade. We have Parade in front of the flag. In Scouts we have been learning about ANZACS and the Australian Flag. We practiced folding it up and making sure it does not touch the ground.

Hockey

This term we have begun Hockey. It is so much fun. Craig from the Wellington Hockey Club comes and teaches us. We do warm up activities to start with and some skill activities. We are learning to control the ball and pass it to a team mate. We always finish with a game. It is great.
Dear Parents and Carers,

On Friday the 18th of May Stefanie Pratt from Bairnsdale Regional Health Service will be coming to our school to assist families to manage their child’s bladder or bowel health.

If your child is eligible for the service you will get an annual subsidy of up to $595.00 for continence products, including disposable nappies, or washable continence products such as underwear or mattress protectors.

If you are interested in booking an appointment with Stefanie to see whether your child is eligible for this service please contact the school on 51445644. Appointments are being taken from 10:00am onwards and will be approximately 45 minutes each.

Kind Regards

Tonia Di Corleto

What help can be provided to families?
The service has two parts:

The Continence Service will assess the needs of young children and people, with a disability and make a plan to meet their needs.

An annual subsidy of up to $595.00 for continence products, including disposable nappies, will be given to eligible clients once a continence assessment has been done.

Washable continence products can be provided at the same time on the State Wide Equipment Program (SWEP).

Your continence nurse advisor will arrange this where needed.
Parent’s Corner

PLAYGROUND EQUIPMENT FUNDRAISING

Donations and fundraising money have been targeted towards the purchase and installation of playground equipment for the new school. Our fundraising goal is $100,000.00. So far we have a grand total of $38,460.45. Keep watching this space to see our total grow.

Thanks to everyone who has donated so far.

Remember

MOTHER’S DAY STALL
10th May 2018.

All students can buy a small gift, available for $1, $2, $3, $4 or $5. With the envelope that was sent home, please fill out all the details, put in your child’s money, and return to school via your child’s communication book before 7th May.

Class teachers will assist your child on the day of the stall to practice the valuable life skill of going shopping!! (Note: Change will be given and recorded on the envelope, but please do not send large amounts of money.)

Happy Mother’s Day for 13th May!

We are still looking for the following items to help incorporate some drama activities into our music/performing arts program.

If you have any of these items and no longer require them, please leave them at the school for Phil.

- Costumes/dress ups
- Hats
- Sunglasses
- Soft toys for story boxes (three little pigs, five little ducks etc)
- Appropriate props for short plays (small electronic devices that don’t work, plastic cups, plates, blankets etc)
- Puppets of any description, sock puppets, finger puppets.

Many thanks. Phil

Bakers Delight Sale will donate 5% of your purchases to Sale & District Specialist School.

Simply mention Sale & District Specialist School when you visit Bakers Delight Sale store, and your purchase will be recorded.

All fundraising efforts help to go towards giving our children the best education they can get.

"Thanks for your support."

Parents/Carers - a reminder that if students need to receive medication at school, it must be handed to school staff directly by parent/carer, or if student is a bus traveller, medication must be given to the bus chaperone who will then pass it on to school staff. Under no circumstances should medication be placed in schoolbags or carried by students. **We must also have a current Medication Permission Form to enable staff to administer medication to a student.**
